

Campus Safety tips

WALKING

Become familiar with the layout of your campus. Locate the emergency system areas and add the campus police as a contact in your phone.

- Don't walk alone after dark
- Be aware of your surroundings at all times
- Limit use of distracting devices
- Stick to well-lit high traffic areas

RESIDENCE HALLS

Make locking your dorm door and windows a habit, including when you're home. Ask local police to conduct a safety check of your home.

- Don't leave doors propped open
- Never place identification tags on your keys
- Door chains are unsafe, use deadbolts
- If you see or hear something suspicious report it to campus police

PROTECT YOUR PROPERTY

Remove the opportunity for crime by never leaving your property unattended in public.

- Always keep your car locked & windows up
- Do not leave valuable in plain view
- Engrave your valuables with serial numbers
