# Officer Recognition

I would like to thank Officer Patrick Feldman. I ran out of gas on the highway today and he took me to the gas station while we were there, he engaged with a 4 yr. old boy that just wanted to say Hi. Officer Feldman took me back to my car and did everything possible to help get my car started. When it didn't, he stayed with me until help arrived for a tow. This put into perspective for me just how dangerous it is on the highway. I would like to thank him for keeping me safe and I appreciate all his help.

Officer Recognition was submitted via the Highland Heights Police Website.
