# CHARGE SUMMARY COMPARISON 2021/2022

## **Call for Service**

2021 – 916

2022 – 993

# **S.I.R.T.**

## **SPECIAL INVESTIGATIONS RESPONSE TEAM**

On October 2<sup>nd</sup> Cold Spring Police requested SIRT respond to US 27 and St Michael Drive for a collision with serious injuries. SIRT members documented the scene, collected evidence and reconstructed the collision. At this time the collision reconstruction and investigation are ongoing.

On October 17<sup>th</sup> Newport Police requested SIRT respond to Northbound 471 near the Cowen's Dr exit for a wrong way collision with serious injuries. SIRT members documented the scene, collected evidence and reconstructed the collision. The driver that caused the collision succumbed to his injuries while enroute to the hospital. Intoxication was a contributing factor.

On October 17<sup>th</sup> SIRT Team hosted FARO 3D training. Six of the team members who are certified in FARO operations attended the training. Once the 40-hour training was completed they can now recreate collision and crime scenes using 3 D technology.

On October 29<sup>th</sup> Wilder Police requested SIRT for a single vehicle motor cycle fatal collision. It was determined Wilder Police would document the scene without the entire team responding as there would not be criminal charges.

# OFFICER RECOGNITION

Highland Heights Police received an officer recognition via our website regarding **Officer Rowland**. It stated:

Hello, I would like to recognize Officer Mike Rowland. I live in Akron Ohio and he went above and beyond with his civil duty. Someone in the area took my sons new Air Pod Pros that he had purchased with his money. He saved up his money from a paid internship to buy the Air Pods. Officer Rowland was able to retrieve them and have them sent back to us. I really appreciate his thoughtfulness.

Highland Heights Police received an officer recognition via our website regarding **Officer Fornash**. It stated:

Anytime I see Officer Fornash out he is always super polite, always asks how we are, if everything is ok and if we need anything. I have seen him do this for many others. Whether he's helping with a traffic incident or just patrolling and pulling off the road to check on someone.
